Hey Everyone!

I just wanted to write a thank-you letter to everyone at Nightlight for all the support I received during my stay.

I am still living at the ARIO house in Fort Erie, and im now almost five months clean off drugs.

I couldn't have gotten to where i am today without the support i received from all the staff at Nightlight. You guys took me in off the streets when i had no where left to turn, housed me and fed me when i had not a dime to my name, and always made sure i had someone to talk to when i needed it. Not to mention the endless amounts of bus tickets I received to get to NA meetings every day. I especially want to thank \_\_\_\_\_ and \_\_\_\_\_ for the

supportive talks I received on the days i wanted to give up and go back to using drugs. I can't thank you enough.
