Campaign Update

Now more than ever...

MARCH 2010 EDITION

The Boys and Girls Club was excited to break ground, March 13, 2010 for the construction of a new facility in the City of Niagara Falls, a project that has been in the works for many years. The New Boys and Girls Club - Niagara Falls Centre became a reality, December 2009, with the confirmation of \$8 million in infrastructure stimulus funding toward construction. The funding is contingent on substantial completion of the project by March 2011. Boys and Girls Club President, Bill Walters says it is a challenge the Club is pleased to meet. "Securing a new facility has been a lengthy process and we are pleased to finally be moving forward at a fast pace." The Club confirmed that reaching the groundbreaking was only possible through the support of Rob Nicholson MP, Kim Craiton MPP, and Niagara Falls City Council, and the tremendous contributions of the community."

The event took place on the site of the new facility on McLeod Road across from the Saint Michael Catholic High School from 10:00 am – 11:00 am. Special guests turned soil, including club child and youth members. Young guests were provided with hard hats and balloons to help celebrate. Boys and Girls Club of Niagara, Executive Director, JoAnne Turner noted that 2010 marks the Club's 50th anniversary serving children and youth from the old facility on Culp Street, Niagara Falls, opened in November 8, 1960. "The new modern facility will house a new 25-metre pool, gymnasium and expanded program and activity spaces, meeting the needs of the community for the next 50 years."

The City of Niagara Falls and the Boys and Girls Club will contribute the balance of funds to support the \$12 million project. To donate, contributors can contact Amanda Braet at 905 357-2444.

Boys and Girls Club of Niagara President Bill Walters, The Honourable Rob Nicholson MP, Kim Craiton MPP, Niagara Falls Mayor Ted Salci and Jeff Wallis Capital Campaign Chair
